HOW TO ACCESS RISK REDUCTION OF CHEMICALS COURSE

1. Register first at UNITAR Registration Platform: RISK REDUCTION OF CHEMICALS COURSE | UNITAR
   - If you don't have log in credentials, create an account at www.unitar.org/event

2. Once you are able to register on the event, please go to www.learnatunitar.org and log in using your credentials to the registration platform. Choose login via unitar.org/event
3. Once logged in, please go to site home and click the Chemicals and Waste Management programme to see available courses under the programme.

4. From the list, you can now choose the **RISK REDUCTION OF CHEMICALS COURSE** from the course options.
5. In the Self-Enrollment (student) part, input the Enrollment Key, which is **Risk2022**, and click on the **Enroll Me** button.

You should now be able to access the course and start your learning. Good luck!

Please contact **cwm@unitar.org** if you have any problems or questions.
